I am writing to express my interest in the UI/UX Design Specialist and UI Developer position. I have over 12 years of hands-on experience delivering user-focused digital solutions.

I am seeking an opportunity with a stable, forward-thinking organization where I can apply my experience and contribute long-term value.

My expertise includes HTML5, CSS3, and JavaScript, along with strong proficiency in Figma, Adobe XD, Sketch, and Photoshop. I specialize in converting visual designs into responsive, production-ready front-end code.
